ESSENTIAL INFORMATION

- **How do I determine which fiscal year when I submit a voucher?**
  - Order/Service/Delivery Dates on or before June 30th then FY23 VOUCHER.
  - Order/Service/Delivery Dates after June 30th then FY24 VOUCHER.

  The "voucher date" field controls the fiscal year
  - When a voucher is entered after July 1, the system will prompt you with "07/XX/23 falls in a future fiscal year. Accept date? (Y/N)."
    - Create a FY23 voucher by selecting or typing "N". Enter the date of service or date goods received) in the "voucher date" field.
    - Create a FY24 voucher by selecting or typing "Y". Will default to today's date but must change to date of service or date goods received in "voucher date" field.
      NOTE: FY24 vouchers should not be entered prior to 7/1/23, unless needed on 7/3/23.

- **Splitting Invoices across Fiscal Years**
  When a service period occurs in both June and July the voucher date should be FY23 unless the invoice is greater than $2,500 (prepaid expense threshold). When partial delivery of goods is made in both months, the invoice must be split between fiscal years. It is possible to create two vouchers from one vendor invoice. Create one voucher to pay the FY23 portion of the invoice and create another voucher, with a copy of the invoice, to pay the FY24 portion of the invoice. Cross-reference the voucher numbers on each invoice copy and in the comments section of the Colleague voucher.

- **Equipment Orders**
  Process equipment orders for FY23 as early as possible to allow time for delivery, tagging, and capitalization.

- **Planning**
  Plan for any purchase with a long lead-time. Furniture, software, and copiers frequently take eight to ten weeks.
  Prevent delays with requisitions over $20,000 by following the minimum 3 quote process outlined on the Purchasing website.

- **Delivery and Time of Service**
  Procurements need to have goods delivered or services performed before 7/1/23 to be counted as FY23 expense.

- **FY24 Requisitions**
  - FY24 requisitions must have a start date of 7/1/23 (or later).
  - Clearly indicate that the requisition is for FY24.
  - If an FY23 PO has an "M" in the PO number, the PO may be eligible for rollover. Please contact the buyer indicated at the bottom of the PO to verify. If it cannot be rolled, a new requisition must be submitted each year for renewable multi-year contracts. Include the multi-year PO number on your requisition in Printed Comments and in SharePoint.

- **Purchase Orders (Regular and Blanket)**
  - All requests for FY23 POs with funding to rollover into FY24 should be received and vouchered by July 26th.
  - When the final payment is made on a Blanket PO, in order to close the Blanket PO and remove encumbrances, complete the Close Request form and submit to Purchasing.

- **Travel Reimbursements**
  Travel beginning in June and ending in July is paid from FY23 funds. Travel starting **on or after** July 1st is paid from FY24 funds. If the traveler will not return from travel prior to July 7th, contact travel@ilstu.edu.

- **June Reports**
  June reports will constantly change until all activity is posted. The Business Office will be finalizing adjustments through August. As in past years, the general ledger will officially close after the completion of the University's annual audit.

- **New Vendors**
  If the vendor is not in Colleague, the vendor must complete the substitute W-9 and ACH form in order to receive payment. After completing it, email it to colleaguevendors@ilstu.edu. The same email can be used for address updates.

Meeting the above dates is very important for the timely preparation of our financial statements and external audit. If for any reason a deadline cannot be met, please contact the Comptroller's Business Office at comptroller@ilstu.edu or Purchasing Office at isupurchasing@ilstu.edu with details and a subject line: FY23 deadline.
